

## Sponsorship Form 2020 Conference

The mission of ALAIR is to offer professional opportunities for anyone involved in institutional research, institutional effectiveness, assessment, planning, or student records. We invite and welcome anyone to become actively involved in the organization so that we can work together to help our institutions effectively serve our students. We invite vendors to provide sponsorship funds and to showcase their products and services.

Our 2020 Alabama Association for Institutional Research (ALAIR) Conference activities have been designed to promote knowledge sharing, solutions, and collaboration between professionals with responsibilities related to creating optimal learning environments for Alabama post-secondary students through the systematic collection and use of data. The event will be held at the Hampton Inn & Suites in Orange Beach, Alabama.

Please choose a sponsorship level below and join us as we pursue better tools for our industry.
