President's Message

- by Bill Fendley

Greetings, colleagues. Let me extend to you the best for 2003.....yet we are already into the second month.....and many upcoming events are not that far off. I am hearing discussions about the ALAIR Conference in April, the AIR

Forum in May, summer workshops and institutes this summer, and the SAIR Conference in October. That means you need to start thinking about travel plans and presentation proposals, and how you can serve. Members of ALAIR have an excellent track of service to the various associations; and you should be proud and willing to continue the tradition. For evidence, read your ALAIR newsletter. Cathy Tanner has done an excellent job in the last several months sharing this information with you.

First and foremost, are you ready for the ALAIR Conference? Well, you should be; Dan Tennimon is putting together what I believe will be a memorable program. A record attendance is expected! Included with this newsletter are several forms that need your attention—the Conference Registration form, the Joseph Sutton Award Nomination form, the AIR Travel Grant form, the ALAIR Officer Nomination form, and, most importantly, the Call for Proposals. All of these forms are available on the ALAIR website as well. In fact, please visit the website.....www.alair.org..... Please share your comments or suggestions for the website with any one of the ALAIR officers. Plus, please note that the ALAIR directory is now online. Janis and Sam Lowther have done an excellent job pulling together this information and making it available on the website. Check your institution and let Janis know if you have changes.

I would like to tell you more about the AIR Forum in Tampa (May 18-21), the summer workshops and institutes this summer, and the SAIR Conference in San Antonio (October 11-14), but I'll wait until the ALAIR Conference and the next newsletter. [Actually I'm stalling until I can give you more and better specifics.]

Let me close this note by telling you just a little about the successful ALAIR workshop held at Jefferson State Community College (Scrushy campus) in January. Yes, successful! The workshop program and agenda received very high marks through the evaluations. Some northern Alabama registrants were 'snowed or iced in', but thirty others weathered the cold (outside AND inside) and were treated to a great workshop on Crystal Decisions, which was arranged by Diane Sherman and her planning committee. And many thanks Harriott (Calhoun) for hosting the workshop and the tasty lunch from Heavenly Ham. [I've been told that Diane is planning a repeat of the workshop on Crystal Decisions at the ALAIR Conference in April; and I believe Mark Hillam from Crystal Decisions will have a little more to share on Crystal Enterprise.]

I look forward to seeing you at the Conference. Plan to attend. And GET INVOLVED.

in our state's capitol. The conference registration form is included in this mailing.

The Seventeenth Annual Conference of the Alabama Association for Institutional Research will be held at Troy State University Montgomery (TSUM) on April 3-4, 2003. The conference theme is *Non-Traditional: The New Majority*. Workshops on Crystal Decisions and the NCES/Peer Analysis System (PAS) will be offered to the membership at no additional charge. Make plans now to attend the 2003 ALAIR Conference

UPDATING THE ALAIR DIRECTORY

February 14, 2003, is the deadline for submitting corrections/additions/deletions for the next publication of the ALAIR Directory. The Directories will be distributed at the ALAIR Conference in April. Contact Janis Colee Lowther at 334-242-2106 for more information.

NOMINATIONS FOR OFFICERS AND SUTTON AWARD

Forms are enclosed with this mailing that will allow you to nominate ALAIR members for election to office and for our highest honor, the Joseph T. Sutton Leadership Award.

The Sutton Award is presented to individuals who distinguish themselves in one or more of the following ways: 1) service to ALAIR, SAIR, or AIR; 2) a career of leadership, accomplishment, and innovation in institutional research or a related field; 3) specific accomplishments and innovative endeavors that enhance the field of IR, an institution, or the community. The recipient must have been involved in institutional research or a related field in the state of Alabama. Current or past membership in ALAIR is not a requirement, nor is current residence in Alabama. You are encouraged to nominate any and all deserving individuals.

We also solicit nominations for ALAIR elected offices. Serving as an ALAIR officer is both a duty and a pleasure. It affords you the opportunity to benefit both the organization and yourself and to work with an excellent group of people.

This year we are electing a vice president/president-elect, a treasurer and two members of the nominating committee. Nominate as many people as you like for each or any office, and especially yourself, if you are interested in serving. If you have any questions, contact Priscilla Holland at 256-765-4222 or email apholland@una.edu for more information.

Both these forms must be submitted by February 24, 2003.

ALAIR Travel Grant to AIR

Enclosed with this newsletter is an application form for the annual travel grant that ALAIR awards to a member for travel to the Association for Institutional Research (AIR) Annual Forum. The amount is \$300, and it is always surprising that we have so few applicants. You do not have to be presenting a paper (although that certainly would be a consideration), and you do not have to be a long-term member of ALAIR. Indeed, the award originally was conceived to encourage members with limited travel resources, or persons new to the profession, to access the benefits that can be received by attending a national conference. The 43RD Annual AIR Forum is scheduled for May 18-21, 2003, in Tampa, Florida. The Program and registration materials will be

mailed soon. If you are not a member, contact the AIR Executive Office at 850-644-4470, fax 850-644-8824, or e-mail air@mail.fsu.edu, or visit the AIR Forum web site at: <http://www.airweb.org> for more information.

CALL FOR PARTICIPATION/PAPERS

17th Annual Conference of the Alabama Association for Institutional Research (ALAIR)

April 3-4, 2003

Troy State University Montgomery

Non-Traditional: The New Majority

The 17th Alabama Association for Institutional Research Annual Conference will be held at the Rosa Parks Library and Museum on the campus of Troy State University Montgomery, April 3-4, 2003. The theme, "*Non-Traditional: The New Majority*," is timely with the American Council of Education reporting 70 percent of students being non-traditional. The Annual Conference gives us an opportunity to share data, experiences, assessment activities, research outcomes, plans, projects, skills, expertise, challenges, and opportunities.

Your participation in the ALAIR Annual Conference is essential to ensure the success of the Conference. You do not have to be an ALAIR member, or even an institutional researcher **to submit a proposal?** Proposals in all areas of institutional research, assessment, policy analysis, planning, and related techniques are encouraged. Your participation can take the form of a paper, a presentation, or a tools and techniques session. Proposals do not have to be related directly to the conference theme.

- Papers and Presentations are formal sessions that present a scholarly approach or extended discussion of a technique of interest to conference participants. These sessions will be approximately 45 minutes in length (which includes the time for questions/answers).
- Tools and Techniques sessions are informal presentations of reports, analyses, techniques, software, demonstrations, and the like. The presenter may develop a brief (3-5 minutes) presentation, but the value of this type of session is the opportunity to discuss the topic one-on-one, or in small groups.

To submit your proposal, send the following information and attach a brief abstract of what you plan to present to the contact person listed below by **February 24, 2003**. If you have special equipment requirements, questions, or concerns, please contact Dan Tennimon at phone (334-241-9536), fax (334-241-8619), or E-mail: dtennimon@tsum.edu
